

We look forward to your visit to the Library of Congress.

The Library of Congress asks all visitors to follow our COVID-19 health screening protocols, which are based on guidance from the Centers for Disease Control and the Office of the Attending Physician of the U.S. Capitol.

Before arriving at the Library, please review this screening questionnaire. If you have been diagnosed with COVID-19 in the past 10 days or if you have experienced any of the below symptoms in the past 7 days, please consult with your healthcare provider and follow [CDC guidance](#) for quarantine, isolation, testing and mask use. Your visit may need to be rescheduled.

- Fever $\geq 100.4^{\circ}\text{F}$
- Sore throat
- Dry or productive cough
- Chills
- Pink eye
- Nasal or sinus congestion
- Runny nose
- Headache
- Rash or discoloration of fingers or toes
- Vomiting, diarrhea, or nausea
- Joint or muscle aches (not related to recent exercise)
- Loss of taste or smell
- Shortness of breath or difficulty breathing

If you have [traveled](#) within the last 10 days or have been in contact with or cared for someone with a confirmed or presumed case of COVID-19, please follow [CDC guidance](#) on quarantine, testing, and mask use. We will be happy to reschedule your visit to a later date if needed.

Masks are encouraged but optional within all Library buildings. It is advisable that you wear a mask if you have traveled from an area of high COVID-19 transmission, if you are immune compromised, if the CDC recommends it based on symptoms or exposure, or if you find yourself in situations where you cannot avoid close contact.

Thank you and we look forward to your visit.
